

## **Maurice E.P. Gunderson**

### **Senior Partner**

Maurice Gunderson, Senior Partner, joined CMEA Capital in 2006 to focus on investments in new and innovative energy sources and technologies. Maurice is a specialist in thermodynamics and energy technologies. Throughout Maurice's career, he has been instrumental in the development of cryogenic equipment, engines and energy conversion systems, turbo-machinery, and control systems for process plants and pipelines.

Previously, Maurice co-founded Nth Power, a venture capital firm specializing in investments emerging from the global restructuring of the energy industry. Prior to founding Nth Power, Maurice spent more than 20 years developing energy products and launched five successful companies. Maurice also has served on the board of directors of over twenty energy technology companies. He currently serves on the boards of Amerigon, Inc. (Nasdaq:ARGN), and CMEA Capital portfolio companies Contour Energy Systems (fka CFx Battery, Inc.), and NuScale Power, Inc., and is an expert team member at Scion-Sprays, Ltd. in the UK.

Maurice has an MBA from Stanford University as well as an MS in Thermodynamics and a BA in Mechanical Engineering from Oregon State University. He is also a member of ASME, SAE, ASHRAE, AIAA and AEE, and a patent holder, Registered Professional Engineer, and pilot.
