

**Karl D. Handelsman**  
**Managing Director**

Karl Handelsman joined CMEA Capital in 1999. Karl has been involved with numerous CMEA investments such as: Ambrx, Ensemble Discovery, Ilypsa, Intellikine, Kalypsys, Maxygen, Phenomix, Rigel, Syrrx, Tetrphase, and Xenoport. Prior to joining CMEA, Karl was one of the first employees of Tularik, Inc., a drug discovery company, where his business development role spanned corporate partnering, technology licensing, and operations. Karl was also one of the first employees of Whitehead Institute, a premier research organization within Massachusetts Institute of Technology (MIT); and he worked in business development at Millennium Pharmaceuticals. Karl holds graduate degrees from both MIT and Harvard Medical School.
